# CALIFORNIA STATE CONTRACTOR'S LICENSE EXAM PREPARATION

## QuickPass™ STUDY TOOLS

**CALIFORNIA STATE CONTRACTOR'S LICENSE EXAM  
STUDY GUIDES ON CD-ROM. PLUS PRINTED COMPANIONS!**

### UNIQUE STUDY GUIDE SOFTWARE

The QuickPass Study Tools study guide was specifically designed to help you pass the California Contractor's License Exam.

The interactive program was developed to operate in the same computerized, multiple-choice question manner as the actual exam, providing exam-takers the familiarity they need to feel confident going into the exam.

### SUPPLEMENTAL PRINTED COPY

In addition, the QuickPass software comes with a printed, supplemental companion book to help you study when you're away from your computer.

### CHOOSE BETWEEN STUDY MODE AND EXAM MODE

The QuickPass software provides a variety of modes: study mode, exam mode (timed and untimed) and random mode, to help you excel in your preparation for the exam.

### Use Study Mode to help you understand the material being tested.

In study mode you'll be able to see which questions you get correct and incorrect as you go through the exam. Study mode shows you the correct answer for the questions you missed and provides a helpful explanation to help you understand

### Use Exam Mode to help you practice taking the exam.

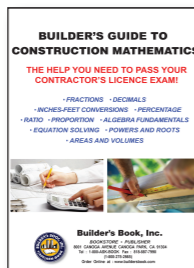

Exam Mode presents the user a test simulation by only revealing the correct/incorrect questions at the end of the exam. Exam Mode comes with a "timed" option to further simulate the timed exam you're going to take.

**REPEAT THE QUICKPASS PROCESS AGAIN AND AGAIN, UNTIL  
YOU FEEL COMFORTABLE AND CONFIDENT**

Order QuickPass Study Tools one at a time and save 10% off the list price shown here, every day! Or order our money-saving Combo Pack - get the Law & Business Exam edition and a Trade edition you specify - and save even more.

Explanations are provided for most questions to help you learn the right answer.

**The correct answer is D**  
Contractors without employees or with inactive or expired licenses are not required to have Worker's Compensation.  
All contractors with employees MUST have Worker's Compensation even if it is one employee.  
Note: You must file an exemption form if you want to be exempt and meet all the criteria to be exempt from Worker's Comp.  
Similarly, you must file a certificate of Worker's Compensation after obtaining a

The topics covered in each QuickPass are the same topics that will be covered in the actual exam.  
The questions provided in each QuickPass are kept up-to-date, so you can feel confident that you are getting the most relevant collection of questions possible.  
QuickPass explanations provide background information to help you understand and learn the principles behind the question.

Use the table to the right to order from the available test subjects. The updated CA exam practice software is limited to the listed subjects and can be installed on any computer with Windows operating systems (Windows 200 through Windows 10).
