The California Construction Form Combo Pack **\$159.95**

The California Construction Forms and Contracts Combo Pack (Version 5 CD-ROM & Manual) includes all the forms you'll need to successfully run your construction business! The forms reflect the most recent legislative changes affecting the construction industry that came into effect. These changes significantly affected some of the most widely used forms in the construction industry, including but not limited to the: Home Improvement Contract, Mechanics Lien, Preliminary Notices and Subcontracts. Thoroughly revised and updated by the best construction attorneys in California, the Version 5 Forms and Contracts CD-ROM provides you with the most-updated, legally-compliant forms and contracts for your business.

The Version 5 Forms and Contracts CD-ROM includes the forms in both PDF and RTF formats.

PDF format - Use Adobe Reader (available for free at www.adobe.com) to fill and print the forms.

RTF format - Use Microsoft Word or another RTF-compatible word processing program to fill out, edit, customize and personalize the forms. The RTF version allows you to add your company logo to the forms and contracts.

Works with Windows and Macintosh.

For the Macintosh Computer, the PDF Version is recommended.

The Version 5 CD-ROM brings you these forms in both PDF and RTF (Rich Text File) formats on one disc!
