

# CHECKLIST FOR HOMEOWNERS

## SWIMMING POOL

*Pursuant to California Business & Professions Code §7159.3 (SB 2029),  
home improvement contractors building swimming pools must provide this notice.*

### ☒ Check Out Your Contractor

- ☐ Did you contact the Contractors State License Board (CSLB) to check the status of the contractor's license?  
*Contact the **CSLB at 1-800-321-CSLB (2752)** or visit our **web site: [www.cslb.ca.gov](http://www.cslb.ca.gov)**.*
- ☐ Did you get at least 3 local references from the contractors you are considering?  
*Did you call them?*
- ☐ Building Permits - will the contractor get a permit before the work starts?

### ☒ Check Out the Contract

- ☐ Did you read and do you understand your contract?
- ☐ Does the 3-day right to cancel a contract apply to you?  
*Contact the CSLB if you don't know.*
- ☐ Does the contract tell you when work will start and end?
- ☐ Does the contract include a detailed description of the work to be done, the material that will be used, and equipment to be installed?  
*This description should include a plan and scale drawing showing the shape, size, dimensions and specifications. It should include brand names, model numbers, quantities and colors. Specific descriptions now will prevent disputes later.*
- ☐ Are you required to pay a down payment?  
*If you are, the down payment should never be more than 2% of the contract price or \$200, whichever is less.*
- ☐ Is there a schedule of payments?  
*If there is a schedule of payments, you should pay only as work is completed and not before. There are some exceptions - contact the CSLB to find out what they are.*
- ☐ Did your contractor give you a "Notice to Owner," a warning notice describing liens and ways to prevent them?  
*Even if you pay your contractor, a lien can be placed on your home by unpaid laborers, subcontractors, or material suppliers. A lien can result in you paying twice or, in some cases, losing your home in a foreclosure. Check the "Notice to Owner" for ways to protect yourself.*
- ☐ Did you know changes or additions to your contract **must** all be in writing?  
*Putting changes in writing reduces the possibility of a later dispute.*
